"Processor"

OF THE FIRST PART

- and -

HER MAJESTY THE QUEEN in right of Canada and repre-  
sented herein by the Minister of Agriculture, here-  
inafter called the "Minister"

OF THE SECOND PART

WHEREAS the Party of the First Part is a Co-operative  
Association within the meaning of the Agricultural Products Co-operative  
Marketing Act, and

WHEREAS the Processor operates an apple processing plant  
located in the Town of Rougemont, in the Province of Quebec, and is  
desirous of marketing on a co-operative plan under the provisions of  
the Agricultural Products Co-operative Marketing Act, a quantity of  
apples produced in 1972 in the fruit-growing districts of the Province  
of Quebec, to be processed and sold in the form of apple juice, apple  
sauce, apple pulp and apple jelly,

NOW THEREFORE, in consideration of these presents, the parties  
hereby covenant and agree each with the other as follows:

1. The Processor agrees to market or cause to be marketed, apple  
juice, apple sauce, apple pulp and apple jelly produced from  
apples delivered to it or to its order, which apples shall  
be of "Canada Commercial" grade or better (except that  
15 per cent of the apples in any one lot may be below that  
grade because of scab, provided that such apples are not  
materially affected for peeling purposes;) and shall be of  
proper maturity for the manufacture of "Canada Choice" grade

apple juice and apple sauce or good quality apple pulp and apple jelly; and provided that up to 25 per cent of such apples may be less than  $2\frac{1}{4}$  inches but not smaller than 2 inches in diameter except that, in the case of apples to be used for the manufacture of pulp, 10 per cent may be less than 2 inches in diameter.

2. The Processor agrees that of all apple juice and apple sauce produced, at least 90 per cent of the total production will meet the requirements of Canada Choice grade or better.
3. The Processor agrees that apples delivered for processing will be subject to inspection by inspectors of the Province of Quebec or by inspectors of the Canada Department of Agriculture, and that only after such inspection and the issuance of grade certificates will such apples be accepted for processing.
4. The Processor will pay to the primary producers of such apples, as designated in clause 1 hereof, when delivered to the processing plant, an initial payment of 45 cents per bushel.
5. The Processor will make no payment to primary producers, subsequent to the initial payment, unless such subsequent payment is first approved by the Governor General in Council.
6. The Processor will market such apple juice, apple sauce, apple pulp and apple jelly to the best advantage possible.
7. The Processor agrees that all apple juice, apple sauce, apple pulp and apple jelly processed under the provisions of this agreement shall be sold on or before December 31, 1973, unless authority is granted, by the Minister, to market such

product after that date.

8. For the purpose of this agreement "processing, carrying and selling costs" shall include the costs of receiving, cleaning, grading, ordinary storing, packing, insurance, accounting, salaries, rentals, depreciation, interest on money borrowed for the purpose of making initial payments, as well as interest on money borrowed for the purpose of processing, carrying and selling costs and all other items and expenditures properly included in the operating account for marketing the product. The maximum allowance under this paragraph shall not exceed \$2.15 per bushel.
9. The Minister undertakes that if the average wholesale price realized for apples meeting the specifications as set forth in clause 1 hereof, produced in 1972 and delivered to the Processor, and processed and sold in the form of apple juice, apple sauce, apple pulp and apple jelly on or before December 31, 1973, or such later date as may be authorized by the Minister, is less than the initial payment together with the actual processing, carrying and selling costs which shall not exceed the maximum fixed in clause 8 hereof, there shall be paid to the Processor the amount, if any, by which the initial payment together with such costs exceeds the average wholesale price aforesaid.
10. The books and accounts of the Processor shall be inspected and audited by an accountant or professional auditor as provided by section 6 of the said Act, and the report of such accountant shall be submitted to the Minister as required.

11. The Processor will report to the Minister at the end of each month, during the currency of this agreement, the total quantity of apples delivered to it, the total quantity of apple juice, apple sauce, apple pulp and apple jelly processed; the total quantity of apple juice, apple sauce, apple pulp and apple jelly sold; and the total selling value of the apple juice, apple sauce, apple pulp and apple jelly so marketed during the month.
12. It is further understood and agreed that in the event of any dispute as to the interpretation of any provision of this agreement, the decision of the Minister shall be final and binding.
13. For the purposes of this agreement a bushel shall weigh not less than 45 pounds.
14. The terms of this agreement shall apply as of the 15th of August 1972 and shall be retroactive to that date, and shall apply to apples purchased, and apple juice, apple sauce, apple pulp and apple jelly processed, in accordance with the terms of this agreement, on and after that date, and shall continue in effect so long as apples are delivered in sufficient quantities to the Processor to permit the practical operation of the processing plant on or before December 31, 1973.

His Excellency the Governor General in Council, on the recommendation of the Minister of Indian Affairs and Northern Development and the Treasury Board, pursuant to section 17 of the Financial Administration Act, is pleased hereby to remit, before payment, concession fees and incidental charges totalling \$3,319.64 payable to the Crown by Mr. R. Muselle, of Banff, in the Province of Alberta, under the provisions of a licence to use and occupy Crown premises granted to Mr. Muselle, the said concession fees and incidental charges having become payable after the purposes for which the said licence was granted became impractical of performance.

## SCHEDULE

A licence to use and occupy the Banff Auditorium in Banff Townsite for operation of a dancehall, was given to Mr. R. Musselle for a term of five years from February 1, 1969 at a rental of \$3,000.00 payable \$250.00 monthly.

The licence amongst other things provided

"Her Majesty does not warrant that the land is fit for the purpose of the licensee and the licensee will make all the improvements on the land which he considers necessary at his own expense."

The licensee completed approximately \$5,000.00 worth of renovations to the building. However a report dated November 12, 1970 by the Dominion Fire Commissioner recommended that no further public assemblies be held in this building until very extensive and costly renovations were made. The licensee's business licence was subsequently withdrawn by the Department.

The licensee took the position that the cost of renovations could not be recovered under the agreement and by letter dated December 15, 1970 formally requested that his licence be terminated. No further action with respect to cancellation was taken because;

- a) the Banff Advisory Council, who originally proposed and recommended this operation, were to be consulted with respect to its closure and to provide recommendations on alternate uses.
- b) our staff was to investigate the feasibility of renovating the premises to accommodate our interpretive programme and information centre.
- c) the Alberta Motor Association, who were occupying the basement of the building, could not relocate for at least another year at which time construction of their new building would be completed.
- d) if the building was allowed to lie idle, pressure would be brought to bear to use it as a youth hostel - which use was incompatible with its location, zoning and interests of the community as a whole.

In view of the circumstances above and problems encountered in determining the proper procedure to effect cancellation of this licence, cancellation was not formalized until January 13, 1972, at which time rental had accrued to an amount of \$3,319.64. During the same period, however, the licensee was not able to use the premises for public purposes. The only use made of the structure was by the Alberta Motor Association who paid \$100.00 per month - an amount estimated to be less than the cost of operation, maintenance and insurance.

In view of the fact that the accruing of these outstanding licence fees was not as a result of the action of the licensee, but as a result of Department and townsite procedures, it is recommended that these outstanding charges be deleted from the accounts due the Crown as provided for under Section 17 of the Financial Administration Act.

sur les arrangements fiscaux entre le gouvernement fédéral et les provinces  
stipule qu'avec l'approbation du Gouverneur en conseil, le Ministre peut  
conclure pour le compte du gouvernement du Canada, un accord modifiant  
les modalités de l'accord initial; et

ATTENDU QUE l'article 4 de The Department of Revenue Act 1968,

A CES CAUSES, vu les conventions ici renfermées, les parties aux présentes conviennent entre elles de ce qui suit:

1. (1) L'alinéa a) du paragraphe (1) de la clause 2 de l'accord initial est abrogé et remplacé par le suivant:

"l'impôt sur le revenu d'un particulier s'exprime en pourcentage constant (en un ou plusieurs demi-points de pourcentage) du montant qui est par rapport à l'impôt fédéral que ledit particulier doit payer pour l'année ce que son revenu gagné dans l'année dans la Province est par rapport à son revenu pour l'année; et"

2. La clause 3 de l'accord initial est abrogée.

3. L'alinéa c) de la clause 4 de l'accord initial est abrogé et remplacé par le suivant:

"c) le taux des déductions à la source sur le salaire des employés à l'égard de toute année à un coefficient fixe par rapport aux déductions prescrites pour ladite année en vertu du paragraphe (1) de l'article 153 de la loi fédérale."

4. Les paragraphes (2) et (3) de la clause 5 de l'accord initial sont abrogés et remplacés par les suivants:

"(2) La province ne frappera pas d'un impôt sur le revenu, pour toute année comprise dans le terme, les personnes désignées au paragraphe (1) de l'article 149 de la loi fédérale, ni une corporation de placement appartenant à des non-résidents selon la définition qu'en donne la loi fédérale.

(3) La province ne prélèvera pas ni ne prétendra prélever, pour toute année comprise dans le terme, un impôt identique ou analogue aux impôts prélevés en vertu des Parties VII, X, XI, XIII et XIV de la loi fédérale."

5. L'accord initial est de plus modifié par l'addition, immédiatement à la suite de la clause 6, du titre et de la clause suivants:

"Régime de dégrèvement pour impôt foncier

6A. (1) Le Canada, à titre de mandataire de la province, gérera au nom et pour le compte de la province, conformément aux dispositions du présent article et du présent accord, le régime de dégrèvement pour impôt foncier établi par la loi provinciale pour chacune des années formant le terme du présent accord à l'égard duquel le régime s'applique en vertu de la loi provinciale.

(2) L'expression "régime de dégrèvement pour impôt foncier" désigne le régime établi aux termes de l'article 6b de la loi provinciale autorisant entre autres une déduction sur l'impôt que doit par ailleurs payer en vertu de cette loi pour une année d'imposition tout particulier résidant en Ontario le dernier jour de l'année d'imposition, à titre de dégrèvement pour impôt foncier d'un montant y fixé.

(3) Le régime de dégrèvement pour impôt foncier, à l'égard de toute année d'imposition, sera géré par le Canada de la manière suivante:

- a) le régime de dégrèvement pour impôt foncier ne s'appliquera pas dans le cas d'un particulier dans l'année à moins qu'il n'ait produit une déclaration d'impôt pour l'année d'imposition conformément aux dispositions de la loi provinciale qu'il ait ou non à payer l'impôt en vertu de la loi provinciale pour ladite année d'imposition; et
- b) le montant déterminé aux termes de l'article 6b de la loi provinciale du dégrèvement pour impôt foncier auquel un particulier est admissible pour l'année (appelé ci-après le "dégrèvement pour impôt foncier") sera appliqué par le Canada de la façon suivante:

- (i) à titre de déduction sur l'impôt, y compris l'intérêt et les amendes, qu'il devrait payer par ailleurs en vertu de la loi provinciale pour ladite année et toute année antérieure,
- (ii) à titre de déduction sur toute dette redevable à Sa Majesté, du chef de toute autre province à l'égard d'impôts sur le revenu des particuliers, y compris l'intérêt et les amendes, qu'il doit payer pour ladite année et toute année antérieure,
- (iii) à titre de déduction sur toute dette redevable à Sa Majesté, du chef du Canada à l'égard d'impôt fédéral, de cotisations aux termes du Régime de pensions du Canada ou de primes en vertu de la Loi sur l'assurance-chômage 1971, y compris l'intérêt et les amendes, payables à l'égard de ladite année et de toute année antérieure, et
- (iv) l'excédent de son dégrèvement pour impôt foncier, le cas échéant, une fois effectuées les déductions précitées aux sous-alinéas (i), (ii) et (iii) sera payé par le Canada au particulier.

(4) La gestion et l'exécution du régime de dégrèvement pour impôt foncier et la perception des montants y afférents dans le cas d'un particulier pour une année d'imposition seront effectuées et réalisées par le Canada de la même manière que si ledit régime de dégrèvement pour impôt foncier était un élément du calcul de l'impôt sur le revenu prélevé en vertu de la loi provinciale et était compris dans ledit calcul.

(5) Pour chaque exercice financier pendant le terme de cet accord à compter de l'exercice financier débutant le 1<sup>er</sup> avril 1973, le Ministre doit

a) estimer, en tenant compte des renseignements que lui présente la province, le cas échéant, le total du dégrèvement pour impôt foncier s'appliquant dans le cas de chaque particulier dans la province à l'égard de l'année d'imposition se terminant au cours du précédent exercice financier;

b) jusqu'à ce qu'il soit modifié en vertu d'un accord subséquent conclu par les parties aux présentes, déduire du montant payable par ailleurs à la province en vertu du présent accord, en se fondant sur l'estimation précitée à l'alinéa a), en 16 versements égaux commençant au mois d'avril de l'exercice financier et finissant au mois de juillet de l'exercice financier; et

c) fournir à la province un état indiquant la méthode de calculer l'estimation précitée à l'alinéa a) au moment où la première déduction sur un paiement est effectuée à l'égard de cet exercice financier conformément au présent paragraphe.

(6) Pendant le dernier mois de chaque exercice financier au cours duquel, conformément à la présente clause, des déductions sur les sommes payables par le Canada à la province en vertu du présent accord ont été effectuées par le Canada, mais dans nul cas après le 31<sup>e</sup> jour de mars dudit exercice financier le Ministre doit, en se fondant sur les renseignements disponibles au 31<sup>e</sup> jour de décembre dudit exercice financier,

a) calculer à nouveau le total de dégrèvement pour impôt foncier s'appliquant dans le cas de chaque particulier dans la province au cours de l'année d'imposition se terminant pendant l'exercice financier précédent conformément à la présente clause;

b) calculer un montant en conformité avec le paragraphe (7) qui constituera les honoraires d'administration payables par la province au Canada à l'égard de la gestion par le Canada pour le compte de la province du régime de dégrèvement pour impôt foncier pour l'année d'imposition se terminant au cours du précédent exercice financier;

c) fournir à la province un état indiquant la méthode et les résultats du calcul fait à nouveau et du calcul précités aux alinéas a) et b);

d) dans le cas où le total du montant calculé à nouveau en vertu de l'alinéa a) et du montant calculé en vertu de l'alinéa b) excède le total des montants qui ont été déduits par le Canada en vertu du paragraphe (5) à l'égard de l'année d'imposition, déduire un montant égal à cet excédent sur tout montant payable à la province en vertu du présent accord à l'égard de cette année d'imposition ou de toute autre année d'imposition subséquente; et

e) dans le cas où le total des montants qui ont été déduits par le Canada conformément au paragraphe (5) à l'égard de l'année d'imposition excède le total du montant calculé à nouveau conformément à l'alinéa a) et du montant calculé conformément à l'alinéa b), verser à la province le montant d'un tel excédent.

(7) Les honoraires d'administration précités à l'alinéa b) du paragraphe (6) pour une année d'imposition se terminant au cours d'un exercice financier doivent être, jusqu'à ce qu'ils soient modifiés par un accord subséquent conclu par les parties aux présentes, un montant égal à 1 p. 100 du montant déterminé en vertu de l'alinéa a) du paragraphe (6) pour ladite année d'imposition."

6. (1) Le paragraphe (3) de la clause 10 de l'accord initial est abrogé et remplacé par le suivant:

"(3) Lorsque le ministre du Revenu national demande à la Province d'aider à exécuter la loi provinciale, la Province fournira au ministre du Revenu national tous les renseignements qu'elle pourrait avoir

a) sur toute personne assujettie à l'impôt en vertu de la loi provinciale, et

b) sur l'évaluation et les transactions de biens immeubles."

(2) Le paragraphe (5) de la clause 10 de l'accord initial est abrogé et remplacé par le suivant:

"(5) La province n'exigera pas l'imposition, la perception ni la remise de toute pénalité ou amende qui est ou peut être imposée en vertu de la loi provinciale; mais toutes pénalités ou toutes amendes ou autres montants adjugés à la suite de procédures judiciaires (sauf les pénalités imposées en vertu de la loi provinciale selon des dispositions correspondant à l'article 163 de la loi fédérale) qui sont imposés, perçus ou reçus doivent, en considération de la perception par le Canada de l'impôt prélevé en vertu de la loi provinciale, être retenus par le Canada avec toute intérêt payable par un contribuable en vertu de la loi provinciale."

7. (1) L'alinéa b) du paragraphe (1) de la clause 17 de l'accord initial est abrogé et remplacé par le suivant:

"b) la province fera la modification de telle façon que le taux modifié pour l'année s'exprime en un ou plusieurs demi-points de pourcentage, et"

(2) Le paragraphe (1a) de la clause 17 de l'accord initial est abrogé.

The grant will provide assistance for three Cablevision Workshops on Total Fitness which will be held in Quebec City, Sarnia, Ontario, and Regina, Saskatchewan.

A pilot project on Cablevision Workshop on Total Fitness took place in Tatamagouche, Nova Scotia in April 1972. Following the project a verbal and written report along with a video tape demonstration showed the practical and useful ways the participants employed the teachings of the Workshop in their local Associations and Communities during the summer months.

The workshops are considered necessary because local YWCA's are frequently offered free T.V. time and lack the expertise and sophistication necessary to communicate through the T.V. media.

THE ROYAL LIFE SAVING SOCIETY OF CANADA

\$2,400.00

The grant of £ 1,000 which is approximately \$2,400 is to cover the 1971-72 and 1972-73 Annual Canadian Government grant for the Commonwealth Council of the Royal Life Saving Society.

When Lord Mountbatten assumed the Grand Presidency of the Commonwealth Society he saw the need for the development of an autonomy of operation for each of the National Branches, such as the United Kingdom, New Zealand, Australia, and Canada. He also saw the need for maintaining a Commonwealth Council which would provide a Commonwealth - wide link for all branches of the Society, and, in effect, reorganized it on the same basis on which the Commonwealth itself is organized. With this in mind he organized a council with the High Commissioners to the United Kingdom from Canada, New Zealand and Australia to act as senior representatives for their countries on the council.

Up to now, the grant has been provided by the Fitness and Amateur Sport program and, although this initially appeared to be the logical channel, it has become increasingly clear that no effective correlation exists between the program and the recipient agency.

At the present there is some confusion as to which government department should make this annual contribution; unfortunately, this confusion has resulted in regrettable delays in the remittance of the money involved.

A meeting between the Department of External Affairs and the Department of National Health and Welfare is planned to discuss the most efficient method of handling this contribution in future years.

In the meantime, it is recommended that Recreation Canada make a grant in the amount of £ 1,000 which will balance our account so that Canada may maintain its proper association with the Commonwealth aspect of the society.

that under the authority of the Agriculture and Rural Development Act and Order in Council P. C. 1971-3/838 of May 4, 1971, the Minister of Regional Economic Expansion entered into an Agreement with the Government of Newfoundland dated May 28, 1971, for the undertaking of projects and programs pursuant to the said Act for the period 1970 - 1975;

that section 1(i) of the said Agreement provides that the rural lands in which certain projects and programs may be carried out under the Agreement shall be jointly agreed to by the Minister of Regional Economic Expansion and the Minister of Community and Social Development in Newfoundland and approved by the Governor in Council;

that section 1(j) of the said Agreement provides that Rural Development Regions in which certain projects and programs may be carried out under Appendix "A", Part IV of the Agreement shall be jointly agreed to by the Minister of Regional Economic Expansion and the Minister of Community and Social Development in Newfoundland and approved by the Governor in Council;

that the said Ministers have agreed that the following lands are rural lands and rural development regions in which an agriculture program comprising projects of the type described in section 2 of Part I, sections 2 and 3 of Part II, section 2 of Part III, and sections 3 and 4 of Part IV of Appendix "A" of the said Agreement may be carried out:

the lands in that part of Newfoundland
